HER MAJESTY QUEEN ELIZABETH THE QUEEN MOTHER'S VISIT TO CASTLE MILLS

There have been Royal visits of other generations, but none has made such an impact as that of the Queen Mother on Wednesday, 2nd November. Everywhere she received a spontaneous and rousing welcome. In this enlarged issue we have endeavoured to record some of the highlights of a great occasion—one which is certain to find its own special niche in the annals of North British.

Our abiding memory is this characteristic smile and acknowledgement of Her Majesty.
